

# Paying for Naloxone

## How can I get naloxone?

June 2022

You can find a naloxone dispensing location by searching on [optin.gov](http://optin.gov). Nearly 500 locations, including pharmacies, nonprofits and local health departments, are listed on the site. **No prescription is necessary.**

## How much does naloxone cost?

Prices of naloxone depend on a variety of factors, including whether you have insurance and what your insurance covers, where you go to obtain naloxone and what form the medication comes in (such as an injectable or a nasal spray).

### With Medicaid:

Indiana Medicaid plans, including Hoosier Healthwise, Healthy Indiana Plan (HIP) and Hoosier Care Connect, cover both the injectable and nasal spray without prior authorization but do not cover the Evzio auto-injector.

### With Medicare:

Almost all Medicare Part D and Medicare Advantage plans cover both the injectable and nasal spray naloxone, but at high co-pays. Few Medicare plans cover the Evzio auto-injector.

### With private insurance:

Prior to obtaining naloxone in a pharmacy, consumers are encouraged to check with their insurance carriers to find out whether naloxone is a covered benefit under their policy and, if so, what form of naloxone is covered and any cost-sharing amounts that may apply under their policy.

### Without insurance:

Naloxone Product	Manufacturer	Current Prices
Evzio single-use prefilled autoinjectors (two-pack)	Kaleo	\$4,500.00
Injectable (Min-I-Jet) or intranasal (Luer-Jet mucosal atomizer device)	Amphastar	\$39.60
1 ml vial (Injectable)	Akorn	\$14.25
1 ml vial (Injectable)	Mylan	\$23.72
1 ml vial (Injectable)	Pfizer	\$19.00
1 ml vial (Injectable)	West-Ward	\$20.40
Narcan nasal spray, two-pack of single use intranasal devices	Adapt	\$150.00

## Can I get naloxone for free?

Yes. Many local health departments in Indiana, as well as nonprofits, give out naloxone for free. To find a naloxone-dispensing agency or organization, visit [optin.in.gov](http://optin.in.gov), type in your ZIP Code and call the nearby entity to ask whether they provide free naloxone.
